

DORINGBOME

ASSISTED LIVING

About Us

The opening of eleven assisted care units in March 2024 was created to enable older adults who want to remain independent in a home environment, but need non-medical assistance with activities of daily living, such as eating, bathing and dressing and maintaining good hygiene. A dedicated carer is on duty 24 hours with support from the qualified sister to help with any assistance situation.

Doringbome Assisted Living consists of eleven single units, each furnished with a kitchen and a bathroom.

Partial care is given to residents who need help with their daily activities. Each resident's needs will differ, therefore standard packages are made available accordingly with the option to obtain additional services.

Experience the peace and care at Doringbome

One month's rent is payable as a deposit as well
A one-time evaluation and administration fee is payable at survey of the resident.
