

About Us

Established in 2019, the Doringbome Care Unit offers excellent care to residents who require private assistance.

Doringbome consists of well-trained staff who have a passion for care. We aim to offer specialised individual care and support to all residents as well as their families.

It is the opinion of Doringbome Frail Care Unit, that when a person has reached this stage of their life that they are entitled to receive the best care. We strive for dignity, integrity and to offer personal comfort to every resident.

Our Vision

We strive for dignity, integrity and to be personal to offer comfort to every resident.

Where residents become family.
